

Poipoia Kia Rere – Māori Internship Programme 2024-25

## Project: Te hauora o ngā Ngahere

Supervisor	Dr Peter Bellingham
Team	Ecosystems and Conservation
Site	Lincoln

### Goal of project

Develop skills and mentor taura in various funded projects to assess forest health (e.g., seedling regeneration in Puketitī, forest health at Te Moehau; both described by mana whenua as wāhi taonga), working alongside mana whenua to enhance the student's knowledge of mātauranga, and working alongside Māori Manaaki Whenua staff where possible.

### Location of project

Lincoln

### Programme of work to be carried out

Short reports on key skills gained and lessons learned from each field project.

### How to apply

Please email your CV, along with a covering letter stating which project you are applying for. Please also include your interest in, and suitability for that project, as well as your aspirations for the future to:
